

STATE OF INDIANA
NOTICE OF PUBLIC HEARING ON PROPOSED SFY 2004
WASTEWATER STATE REVOLVING FUND (SRF) PROGRAM
INTENDED USE PLAN (IUP)

Notice is given that the Indiana Department of Environmental Management (IDEM) and State Budget Agency (SBA) have developed a proposed State Fiscal Year 2004 Intended Use Plan (IUP). The plan includes the Project Ranking System and Project Priority List (PPL) for wastewater and sewer projects that could be funded through the Wastewater State Revolving Fund. The IUP is prepared annually and details the uses, goals and objectives of the State Revolving Fund. The PPL, which is prepared simultaneously, is a list of potential projects for funding in order of priority as determined by the Priority Ranking System. Projects must be on the PPL to receive SRF financing. The PPL may be amended as described in the Project Ranking System.

Pursuant to 40 CFR 25.5, notice is given that IDEM and SBA will hold a public hearing on the proposed IUP at 1:30 p.m., June 17, 2003, Marion County Public Library, East Washington Branch, 2822 E. Washington St., Indianapolis. The Drinking Water SRF IUP hearing will take place immediately after the Wastewater SRF IUP public hearing.
